Widney Manufacturing Ltd is one of the countries leading designers and manufacturers of:

- Window systems and sun blinds for specialist vehicle applications.
- Telescopic slides and associated fabrications.

The organizational goals are to provide world-class products and services, which continually satisfy applicable legal and regulatory requirements and the expectations of our customers in all respects of quality, cost, performance, safety and reliability. The organization will be run in accordance with the guidance of the published company policies to achieve our overall strategic aim:

Overall Strategic Aim

To achieve profitable sales growth by enhancing customer satisfaction therefore supporting job creation and job security.

Widney recognize the need for sustainable growth and by continuously improving the effectiveness of our quality management system, processes and procedures we ensure efficiency and quality at all levels and stages of our business, and that our continued profitability is a measure of the extent to which we are able to satisfy our customers.

This goal is consistently achieved by our total commitment to effective quality management at all levels within the business and by the operation of our quality system which satisfies the requirements of ISO 9001 and is maintained by a regular series of internal audits, regular management reviews and independent external audits by recognized bodies, which could include our customers themselves.

Measurable quality objectives will be set and reviewed at regular intervals by the senior management team by quality management review at agreed frequencies to ensure progress towards objectives.

It is a mandatory point of employment for all employees that they follow the agreed operating systems in maintaining the highest levels of quality at all times.

Ultimate responsibility, commitments and consequences are that of the Managing Director.

Managing Director **Engineering Director** **Finance Director**
